Karen Davis

K. Davis — alias "Betty Davis" — this year the Zig Zag staff dedicates he yearbook to you. After all of your splits and punny jokes, we couldn't et you go unrecognized. Who else bangs her head to heavy metal music fter hours? Only you, K. Baby!! Have you ever considered becoming a rofessional cheerleader?

You have worked long and hard with your English classes, and that ain't o lie! Anchor Club would have sunk without you, (heh! heh!) and we all ppreciate your efforts and accomplishments!

WE LOVE YOU, SEXY!!!

Kelley,
I can't believe that before too long we won't be "Dear 6th's" anymore! You're really in 5th, + 6th grade - I'm glad we had those classes together! I don't know what you'd do next year without me to pick on — maybe you'll manage! Don't forget me!
Love ya!

Education.

We believe the backbone of a strong and growing community is the education of its children. First National Bank has made a commitment to education by awarding scholarships, teaching consumer economics in the schools, offering awards to encourage participation in the arts, and providing student loans. Building a strong community through education is another way we've been investing in the future since 1886.

"I write the book"

Kelley,

We're almost at the end of the year, and I can truly say it has been interesting. Thanks for all the lessons that you and Chris taught me in Spanish. I can now go out into the world and know what people are talking about! Seriously though, I'm really glad we became friends. You've helped me through a rough time in my life and I really appreciate that. Good luck in the future and I hope you achieve all your goals.

Love Always,

"Autograph"

Kelley,
Sunday School has been great all these years, especially with your intellectual answers. I'm glad we've gotten to know each other better this year. Hope you have many successes.

“I write the songs”

Kelley,

Well I finally found a blank page! I really don't know what to say. I keep remembering our fun fun fun times in Mrs. Mount's room and (now I'm) trying to [illegible] except the fact that they're letting you out of here! Heh Heh It is you know a scary thought. I am so glad that we had classes together the past two years and I regret the fact that we didn't this year. Please don't forget about me when you go off to college and please try hard and stay in touch with us poor souls who remain in Opelika! Try hard to be good and study hard so that you can finish with school, get out, & make lots of money. Thank you for always supplying (tsp?) your shoulder for me to cry on and thanks for listening to all and any problems I have had. You have a lot of very special qualities that make you who you are. Don't ever compromise your values for anyone or anything. If people can't accept you for who you are then they are not and never will be worth worrying about. Whatever you do I know you will go far and I'm glad to say that you are my friend. I will miss you next year. (Your morning grunts my way make my day you know. Heh Heh)

Kelley,

We're finally getting out of this place!!! But just think — no more Senior, Shaney, or even Lane, at least not every day. Good luck to you in college and so on!

Kelley,
Well, you're a senior fixin' to graduate, so what are you goin' to do with your life. Be someone famous, earn billions of dollars, and then I can say I knew you when, huh?
Seriously, though, I have enjoyed knowing you, and I really hope (cos?) that we can stay in touch. I wish you the best of luck in the future, and remember that you can do anything you set your mind to if you really want it.
Prov. 3:5-6
Love ya!

Kelley,
You've finally made it! You're going to graduate! I'm sure you're excited. Wherever you go to college, be sure to keep those grades up and take lots of chemistry! I'll see you at church sometimes!
Love,
Dawn
